

To print, cut and distribute for students wanting to take e-Learning classes:

Is e-Learning Right for You?

Are you... Patient and persistent?

Mature and responsible?

A self-starter, self-directed and self-disciplined?

A strong communicator?

Do you... Have the ability to take a test?

Have access and ability to use *high speed internet*?

Have *at least 10 per week* to commit to each class?

Have adequate writing and reading skills?

Have the ability to understand classroom materials?

Yes? Then, download and **complete** the Computer Literacy Checkpoint: <http://tinyurl.com/irscelearning>

e-Learning requirements:

- e-Mail the **completed Computer Literacy Checkpoint** *two business days prior* to your Facilitation Appointment.
- Score a 4.0 or higher on ALL subject areas on the M, D, or A level TABE test.

Contact Information:

- Having challenges? Meet with your facilitator and join us *in-house* for classes this term while attending Basic Technology Workshops online to learn the skills to complete the Computer Literacy Checkpoint for next term!

IMPORTANT!

Keep Secure!
